MEDICATIONS:

All prescriptions must be sent in the **original container** with the doctor's name, child's name and correct dosage. **Prescribed medicine cannot be dispensed without a Doctor's signature on the Medical Authorization form.** Without proper information, it cannot be dispensed. In addition, please put all medicine containers in a plastic zip lock bag, clearly labeled with your child's name, school and any special instructions.

All non-prescription drugs require parent/guardian signature on the Medical Authorization form. It will be collected upon arrival at camp. Students will need to see the medic as needed in order to take this medication.

ELEVATION:

Our bodies require more water while involved in activities at higher elevations (above 4,000 feet). We recommend students drink 4 to 6 bottles of water a day to prevent dehydration. Outdoor living at high altitudes requires special consideration of temperatures. Evening temperatures can be quite low even in the fall and spring. LAYERING is a dressing technique which involves wearing several layers of light clothes to help retain body heat. Please help your child have a positive experience by making sure they have all of the items on the clothing list.

STUDENTS ARE LIMITED TO:

- **One suitcase OR Duffel bag**
- **Sleeping bag**
- **Pillow**

*****ALL ITEMS SHOULD BE LABELED WITH THE STUDENT'S NAME AND SCHOOL*****
